INVITATION

Season greetings from Army Institute of Nursing, Guwahati

It is a great pleasure and honour to invite you to Army Institute of Nursing, Guwahati for the Regional Workshop on 08 & 09 Sep 2023, hosted by the faculty and students of Army Institute of Nursing, Guwahati.

A well-balanced programme comprising of lectures, interactive sessions, group activity etc. will be designed to satisfy the inquisitive thirst of the learners.

ABOUT ARMY INSTITUTE OF NURSING, GUWAHATI

The Army Institute of Nursing, Guwahati, was established in the year 2006, as a professional college under Army Welfare Education Society for the wards of serving and retired personnel of the Indian Army and civilian students hailing from North-East states. AIN is affiliated to Srimanta Sankaradeva University of Health Science, Assam since 2010. The course run by this college are recognized by the INC, New Delhi and the Assam Nurses Midwives and the Health visitors Council.

The annual admission capacity is 50 for B.sc Nursing and 20 for M.sc Nursing in four clinical specialities i.e., Medical Surgical Nursing, Obstetrical and Gynaecological Nursing, Community Health Nursing and Mental Health Nursing.

Curriculum Development & Measurement and Evaluation

A well developed, current curriculum provides several benefits for students and teachers. A curriculum that lays out course objectives and content sequencing let the teacher focus on designing specific lessons and assessments to teach individual students effectively. A well-developed curriculum enhances teaching and learning in myriad ways.

Measurement and Evaluation provides a number of strategies for actively engaging students in their learning. Curriculum development induces well-coordinated, quality teaching, learning, and assessment programs enhancing students' disciplinary knowledge and behaviours alongside their interdisciplinary, physical, personal, and social aptitudes.

AIM

This workshop aims to develop a clearer understanding of what curriculum development & measurement and evaluation entails and also to know a number of strategies for actively engaging teachers and students in their teaching, learning, to improve and develop their knowledge base for the profession and practice of the same.

OBJECTIVES

On completion of the workshop, the delegates will be able to:

- Create intellectually stimulating environment, promote excellence in teaching and learning.
- Identify various tools and techniques of measurement and evaluation.
- Utilize the tools and techniques of measurement and evaluation to improve learning among students.
- Identify the learning outcomes, standards and core competencies before advancing to the next level.
